Bringing God's Written Word to You

As Your Words are taught, they give light; even the simple can understand them, O God
Psalm 119:130

Welcome to our latest update from Emmanuel Press, as our work and witness continues to bring God's written Word to so many... This month's Newsletter is offered more as a Prayer-letter as new challenges have rolled in over the past months, and like many today we are faced with new demands and greater unpredictability. Daily we hear news of crisis and despair, wars and threatened wars, with the unexpected globally. And still the call of The Saviour rings out; Go and preach, teach and live the heart of The One who gave His life to save us all.

Here at the offices in White River the work continues, despite interruptions. In April we bid an unexpected farewell to Douglas, a director and lively volunteer for 2 years, who felt it was his time to move on. We are grateful that Gillian, our present Exec. Officer, has returned well after a two month visit to the UK & family. Next month we welcome a new tenant to the premises to complete the family at No.38 once again. On a very practical note, please pray that God sends someone to assist with maintaining the premises for both office and residential accommodation. Over all matters, the words of the prophet Zechariah come to mind when God reminded the people that the rebuilding would be accomplished not by human might or power, but by HIS Spirit (Zech.4:6)

Everything we do must be by God's holy and powerful inspiration and strength. Jesus reminds us in John 15:5 – Without Him we can do nothing of value in His Kingdom. When we feel so weak, it's then that we are stirred to call upon Him. We as directors are calling upon The Lord; we concluded our last meeting with this cry, "Oh God we want You to be really involved in everything! We so need You LORD! Amen."

Requests for Bibles continues as our bookshop maintains a selection of styles and widely accepted versions at competitive prices.

Earlier in the year we mentioned about the good work of Pro-Vision sending buckets of vital aid to flooded areas of Mozambique. Once again they are repeating this hope-filled aid complete with our tracts and lessons of God's love to hundreds of

flood victim families. Join us in praying that as God's Word is cast upon the waters... needy people will find God's Life-giving promises.

Our co-ordinator Domingos writes from Mozambique:

"I thank you for praying for the work in Mozambique! Our heart is to see more lost souls won to Jesus Christ and set free (John 8:32) The work is growing, and we are committed to spreading this free Gospel Correspondence Course now with outlets in several places across our country.

We focus our resources to churches, schools, markets, hospitals and jails etc. We recently welcomed Xavir Simango, a good brother from Gaza province to join the work. Also we are now reaching into Malawi in Ndange province. Several months ago I was training a young man, Miguel who now works with me across Maputo promoting the courses."

Perhaps Paul's words sum up Domingos' experience in challenging days: "A wide door for effective work has opened to me, and there are many adversaries" (1 Cor.16:9)

Please pray for the EP team in the offices. For Gillian & Karin in admin & bookshop, for Tebogo & Salome marking, sorting & recording courses; for Calvin printing & packaging, and his weekly school visits; Des oversees the financial records. Sophie & Alick in cleaning and the gardens.

Our thanks for the great team of Coordinators and Area Reps who manage much of the distribution and collection of lessons in the absence of a reliable continental postal service.

Please pray too for God's person(s) to help lead the team as we lift our eyes to the massive harvest fields hungry for God's written Word. God's humble person of faith and vision, called to help with the reapers.

Finally, we say a heartfelt THANK YOU! Thank you for standing with us in prayer; listening to The Holy Spirit, and believing to see His will done for His great glory and praise! THANK YOU!

Another bundle of lessons, ready for dispatch

Busy in the office - Salome marking lessons, Tebogo updating the records and Calvin is printing and preparing another batch of lessons.

When you pray, say:
"Our Father Let you Kingdom Come and may Your Name be glorified
as Your Word goes forth."
