Bringing God's Written Word to You

As Your Words are taught, they give light; even the simple can understand them, O God
Psalm 119:130

Dear friends and partners in this great ministry Bringing God's written Word to YOU... Yet Others Unreached.

God's Word is still going forth. With every new challenge we seek God, trusting HIM to lead us onwards. In all our ways we must acknowledge HIM, knowing HE will direct our paths in fruitful harvest.

Our copier printers were recently updated and are now busy producing tracts and lessons for our Bible study courses. Although the tracts were designed years ago, their popularity is encouraging. The truths they tell never change, and it appears this year, orders are increasing monthly, especially across South Africa.

With the ongoing challenge of no regular postal service, it's wonderful when enrolments come pouring in from an area where a team-member lives. A special encouragement last month was a request for Bibles from a local college; almost 100 Bibles presented to graduating students. God's written Word is highly prized! Praise The LORD!

Please PRAY that Emmanuel Press mail continues to make it through the uncertain postal system. Just last month we received a letter from Nigeria dated March 2025: it conveyed requests for new applicants courses and several responses from students hoping to complete their lessons.

Our key volunteer working in Lydenburg Correctional Services has sent us new names of inmates wanting to enroll. A postal consignment from Makhado Prison was an encouragement showing some mail gets through. Whilst mentioning the prisons, please pray that God will raise up a dedicated Prisons Worker to once again take God's light and truth into Barberton and other prisons.

We'd like to introduce to you Hezekiya Maoko, a follower of Jesus who loves to teach God's truth to the children in his community. He was delighted to take a couple of our old 'Bible Story posters' to help him in his mission teaching the truths of Jesus Christ to his young audience.

The Bookshop is celebrating the long-delayed Tsonga Bibles being available on our shelves, ready for hungry readers. Sending packs of tracts to different places across South Africa is an ongoing assignment, but finding a reliable way to get our courses to a Pastor in Botswana is a challenge; we can use WhatsApp, but most students prefer the old way of real paper copies.

It's encouraging to receive tract & Bible Course orders from other countries. Recently, a couple took supplies of Tsongan & English tracts as they prepare for a 5 year evangelistic tour of their country. This why we print; helping others to obey the command of Jesus to, "Go and make disciples of the nations... and teach them to obey all the commands I have given you."

Requests continue... tracts for the Western & Eastern Capes, Kenya and Zambia. We pray the postal service of South Africa will once again emerge into life, to be used to carry the truths of God's written Word to thousands more waiting to see and believe.

Earlier this year I was invited to speak about the work of Emmanuel Press at a Christian Charities conference in the UK. My only 'aide' was 2 wooden letters hastily cut to shape, We thank God the sponsoring Charity awarded EP with a large donation to encourage us to more effort in the work. Praise The LORD! These are crucial days and we must pursue God's heart.

I conclude with personnel matters. For several years Karin has been the welcoming face at the Reception desk. As you read this, she and her good husband will have left the Lowveld behind, and moved to Sasolburg near Jo'burg. We've been very grateful for the dedication that Karin has shown to The Press and we'll miss Carel's practical involvement too. May God continue to bless them with HIS faithful love and goodness.

As we bid them farewell, we welcome Anelle (on the left of the pic.) to the busy reception and bookstall desk. A trusted friend to The Press for several years, we are sure the transition will be sweet and seamless under Gillian's guidance and rich experience. Please do continue to pray for our personnel as we ask God to bring His persons, His servants, His workers to His place of appointment.

These days are unpredictable for many peoples and countries around God's earth. But for us believers in Jesus, we are reminded to look up for our redemption... Jesus will return and then the ministry of Emmanuel Press will be completed.

THANK YOU for standing with us, for praying, for giving and holding this life-changing ministry in your hearts. Yours in Jesus Christ's love and for His Kingdom,

*Peter, on behalf of
the EP Team*

When you pray, say:
"Our Father Let you Kingdom Come and may Your Name be glorified
as Your Word goes forth."
