Bringing God's Written Word to You

As Your Words are taught, they give light; even the simple can understand them, O God
Psalm 119:130

Greetings to you faithful supporters! As you read, you will know something of the good work taking place through this ministry. New people are still discovering the wonderful truth of God's written Word as they study the lessons. God's Word brings CHANGE.

We are all experiencing seasons of change. These last few years have emphasised the power of change all around, and it seems that as we try to find a new normal, so much keeps changing. Personally, locally, nationally and globally we hear of changes that we never expected, or even imagined? You will have heard that the British Monarch, having celebrated 70 years of reign, has died and her son will be crowned King Charles III in due course. The late Queen Elizabeth apparently officially approved of only one book ever written about her. It was entitled: "The Servant Queen and The King she serves". We know without doubt she believed in Jesus Christ as revealed in The Bible and worshipped HIM. God's written Word made a big impact in her own life. Amidst so much change we, as believers in Jesus Christ and His Holy Word, have a sure hope like an anchor for our lives: "We can have a great confidence as we hold to the hope that lies before us. This hope is a strong and trustworthy anchor for our souls and leads us... into God's inner sanctuary." (Hebrews 6:18)

To be able to know God and His Lordship in our lives is so valuable in these days. We can know God through His written Word, the Bible, our only sufficient and complete rule and authority for faith. We all face many challenges, and it is because of faith in God's Word that we are able to stand firm. In days of change and challenge at many levels, we want to share the truth of God's Word with many more people. God will yet do a 'New Thing'.

Good News in Mozambique... Recently several friends in The UK responded to a brief appeal to assist with helping to build an improved Emmanuel Press Office and church meeting place in Maputo. Within weeks, funds poured in to make a substantial difference to the facility there. Praise The Lord!

Domingos sends grateful thanks from his EP office in Mozambique

Good News in Kenya... Recently 60 church leaders requested to study the Basic Discipleship Course and now want to take it to their churches. The potential for other such groups is growing too! Praise God!

Good News across Africa – new groups of churches are requesting to know more about our Basic Discipleship Course Bible studies and we want to make connections to make this a reality. Hallelujah!

Good News in Schools – the Young Discipleship Course is being embraced with enthusiasm. Please pray that more schools and youth groups will receive this opportunity to be introduced to The God of The Bible.

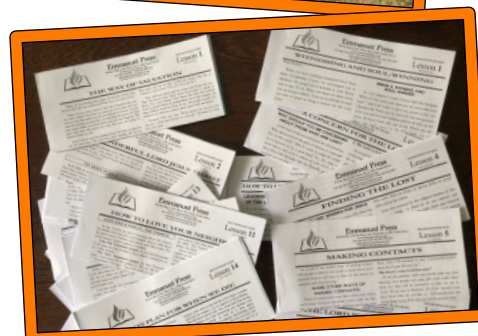

Good News in Courses – we now have 86 EP lessons bringing God’s written Word to students of many ages in many places in many languages! This includes more lessons in Portuguese and we are working to find other skilful translators too.

Please pray with us that God opens doors into churches where leaders can offer our courses to young believing congregations, and their friends too, so that they can learn the power of God’s written Word for their lives. Without a postal service, using churches as discipling and teaching places seems a very New Testament and effective way to reach people. (see Acts 6:7 and Acts 12:24) When God’s Word spreads... new believers are multiplied! Hallelujah!

And finally, thank you for your part in prayerful support of this God-given ministry. We are trusting that this ministry, born of The Holy Spirit, will continue to bear much fruit, not because of man’s cleverness, but in the fire and power of The Holy Spirit as we bring God’s written Word to ‘you’ who believe!

When you pray, say:
“Our Father Let you Kingdom Come and may Your Name be glorified as Your Word goes forth.”
