Bringing God's Written Word to You

As Your Words are taught, they give light; even the simple can understand them, O God
Psalm 119:130

Welcome to our news for April 2026. I am delighted to bring you news and developments having visited White River just last month! It was an absolute delight to be there catching up with good friends and being with the Team.

There were several highlights during our stay, and perhaps this letter from one of the students was close to the top!

“Thanks for this wonderful journey we travelled together. It was awesome and an eye opening experience. It feels like it was prematurely stopped whilst I was still on high. I have come to know the Triune God much better and closer, and I feel that the baton is in my hand. All I need to do is run without any delay.” (received 26th Feb. 2026)

Testimonies like this, written, spoken and lived, are what demonstrates the simple ongoing success of Emmanuel Press. Our heart and purpose and passion is to continue Bringing God's Written Word to people everywhere. Everyone needs to receive the life changing message of God's great Gospel in these very unpredictable and changing days.

“O that the world might taste and see, the riches of His Grace. The arms of love that compass me would all mankind embrace!”

Written nearly 400yrs ago and is still the cry of our hearts!

With over 30,000 lessons printed and issued during the past year, the dedicated team are busy and blessed. Thank you for praying. God is faithful in meeting every need. Please pray for more and more successes as we look to HIM.

The devastating floods that ravaged large areas of Mozambique this year brought despair to so many. Our friends Mark & Lesley Harper, through 'Pro-Vision', provided vital aid to victims of flooding. They delivered 1000 large buckets of aid, and then added our Gospel tracts + lessons. Pray that many will not only be blessed by the practical aid, but also receive God's message of amazing love in Jesus Christ! We pray for Domingos and friends

New Life is bursting forth at Emmanuel Press!

The buckets of aid almost ready to deliver hope to those affected by the floods

as they preach God's Word there in Mozambique.

He regularly drives 4hrs to White River, to load his car with lessons, and then once home, with helpers, they distribute lessons, teaching believers to make disciples. Their love for Jesus drives them forward despite many hardships from every direction. The Holy Spirit leads them on!

We thank God for volunteers giving time and abilities to carry lessons. They are now one of the major ways that God's Word with lessons continues to spread so effectively... the new 'postal service' to reach so many people.

Our friends Allan & Madeleine Campbell wrote recently asking for more lessons to use in The Kruger Park. They are busy visiting the ranger post staff, spreading EP courses. Also training others as they prepare successors for the work

Here nearer to EP offices, Calvin is welcomed into more schools with the life giving message of Jesus. And last month we completed the production of our Young Disciples' third course! Praise The Lord, and thank you Kay.

Earlier this month, we met Devison, a young man collecting a box of Bibles for his church. He was so blessed to see the activity and scope of this ministry. In the bottom photo we see several of his home church so glad to have received the fruits of his visit. Pray that young people will treasure God's Written Word in their hearts!

Whatever the season, wherever we may be, we want to be walking with Jesus in the power of His Holy Spirit. Not by might, or human power, but by HIS Spirit for this hour!

Thank you for praying for success in Jesus' Name.

God bless you.

When you pray, say:

“Our Father Let you Kingdom Come and may Your Name be glorified
as Your Word goes forth.”
